

## **Advance Directive**

FloridaCare acknowledges a member's right to make an advance directive. Advance directives are written instructions, such as living wills or durable power of attorney for health care, recognized under state law and signed by a patient, that explain the member's wishes concerning the provision of health care he or she becomes incapacitated and is unable to make those wishes known. For information on advance directives please visit the following websites:

- Consumer Guide on Health Care Advance Directives from the Florida Agency for Health Care Administration:
